**Subject: Logistical Information for the May 2002 INCITS and
JTC 1 TAG Meetings Hosted by Oracle - Redwood Shores,
California**

From: Don Deutsch, Oracle

Jennifer,

Two documents are attached: a map showing the location of and directions to the Oracle conference center, and a list of local hotels. While attendees can use any of the three international airports serving the Bay Area (Oakland, San Jose, and San Francisco), Oracle is closest to (about 10 miles South via highway 101 of) the latter - SFO.

Several of the hotels on the list are located near SFO and provide courtesy bus service. The Oracle campus is an easy 10-15 miles from the airport during off hours and a difficult to downright irritating commute during rush hours. The closest business class hotels are the Sofitel (1/2 mile) and the Marriott San Mateo (3-4 Miles).

Taxi fare between the airport/airport hotels and the Oracle campus ranges from \$25 to \$40 depending on traffic. You may want to rent a car that can be parked in slots not specifically marked as reserved in the outside lots or in any of the multi-story garages. Parking becomes harder to find after 9:30 in the morning; you should allow 5 to 15 minutes to find a spot.

The Oracle Conference Center provides food service throughout the day including lunch.

I look forward to welcoming you all to California and to Oracle.

Cheers...Don
