

Form for request of OID from INCITS

This form must be completely filled out to request an OID value from INCITS. Any INCITS committee may request an OID value as needed to identify parameters and formats documented using ASN1. The request must be approved by the INCITS committee. All INCITS OID values shall have the general form:

{ iso(1)member-body(2)us(840)incits(114402)
INCITS committee identifier(nn) Grouping(mm) Parameter(pp)}

REQUESTING COMMITTEE: _____

DATE OF APPROVAL OF REQUEST: _____

INCITS USE ONLY:

Committee () _____ () _____ () _____

NAME OF GROUPING: _____

This is the name given by the requesting committee for a set of OID parameters that are related. The name may be that of the specifying standard or it may be a name associated with a set of parameters having similar properties and specified in multiple standards.

NAME OF PARAMETER: _____

Name given by the requesting committee to a particular parameter or format defined consistently with the ANS1 schema. The name typically specifies a particular definition and format for a parameter required by a standard.

DEFINITION OF PARAMETER

DEFINING STANDARD: _____
