Subject: New T10 Project for SMC-3

Debbie,

T10 has voted to create a new project for SCSI Media Changer Command Set - 3 (SMC-3). From the draft T10 minutes:

"10.3 Project Proposal for SCSI Media Changer Command Set - 3 (SMC-3) (04-279) [Banther]

Michael Banther presented the SMC-3 project proposal, 04-279r0. Rob Elliott moved that 04-279r0 be approved as a new project proposal for SCSI Media Changer Command Set - 3 (SMC-3). Paul Entzel seconded the motion.

The motion passed on a two-thirds vote of 21:3:6:11=41.

George Penokie, Mark Evans, and Bob Snively stated that they voted no because no editor has been identified for the project.

John Lohmeyer took an action item to forward 04-279r0 to INCITS for further processing as a new project proposal for SMC-3."

Please forward this project to INCITS for approval.

Thanks!  
John
