

ATHENS EXCURSION: 19 JUNE 2008

The hosts of the 30th ISO/IEC JTC1/SC17 WG10 meeting in Athens on 17 and 18 June 2008 have also arranged for an excursion as follows:

On 19 June we have arranged for a visit, with a tour guide, in Athens Acropolis and the sights nearby. A lunch in a restaurant in Plaka (an area located next to the Acropolis) will also be arranged. The tour (including the lunch) is expected to finish by approximately 17.00.

A mini-van will be available for our transportation from Park Hotel to Acropolis and vice versa.

However, in case a participant wishes to leave earlier, for example after the visit in Acropolis, he/she can do so on his/her own, since Park Hotel is located only 10 minutes away from Acropolis (by metro or taxi).

The expenses (tour guide, mini-van, entrance in the archaeological sights, lunch) will be covered by the Hellenic Ministry of Transport.

Meeting attendees are requested to indicate on their registration forms (or to separately inform Junichi Sakaki) whether or not they will participate in the above excursion.
