Closes: February 23, 2007

At the most recent M1.3 meeting, INCITS M1.3 approved a disposition of comments including alleged defects that M1.3 expects to be handled in a revision project for INCITS 385-2004, Face Image Data Format. The details of the approved comment disposition are described in M1/06-1083. In anticipation of M1.3 and INCITS approval of this revision project, comments and contributions towards this revision project are encouraged. The details of the revision project are in document M1/06-1098.

Please send any comments or contributions to the email address above before the close date described above. Comments and contributions received will be considered at the next meeting of INCITS M1.3.
