**Closes:** February 23, 2007

---

JTC1-SC37 has developed an international biometric data interchange standard. This standard, (ISO/IEC 19794-2, Biometric data interchange format, Part 2: Finger Minutia Data) is published. M1.3 is soliciting comments and contributions regarding the US adoption of this standard.

Please send any comments or contributions to the email address above before the close date described above. Comments and contributions received will be considered at the next meeting of INCITS M1.3.
