Closes: March 9, 2007

As part of the resolutions passed in the Wellington meeting of WG3 of SC37, all national bodies are invited to contribute towards the 2nd amendment to the international standard on face data interchange format 19794-5 (for 3D Face). Comments and contributions on the content of this document are encouraged. Contributions that can help focus our US national body position are most welcome.

Please send any comments or contributions to the email address above before the close date described above. Comments and contributions received will be considered at the next meeting of INCITS M1.3.
