**DOC:** M1/07-0614

**Title:** Call for contributions towards Polar Format Boundary Clarification

**Date:** September 27, 2007

**Reply to:** Udo Mahlmeister

**Phone:** 267-266-0167

**Email:** [umahlmeister@L1id.com](mailto:umahlmeister@L1id.com)

**Closes:** November 30, 2007

---

The standard for iris image 19794-6 has some noted ambiguity regarding the physiological boundaries that are relevant towards the encoding of the polar iris image format. This call for contributions invites comments towards the revision of the international iris image standard..

Please send any comments or contributions to the email address above before the close date described above. Comments and contributions received will be considered at the next meeting of INCITS M1.3.
