AHGBISGF

Agenda Item 6

Original motion

- **Motion:** Government Smart Card Interoperability Specification.
 - M1 forms an [Ad Hoc Group on Biometric Interoperability in Support of the GSC Framework](#) with the following terms of reference:
 - 1) M1 AHG Chair - Cathy Tilton
 - 2) Duration - The AHG will work between M1 Meeting # 3 (August 21-22, 2002) and M1 Meeting # 5 (TBD).
 - 3) Tasks -
 - 3a) Study the sufficiency of ANSI/INCITS 358: 2002 and NISTIR-6529-A to support the future biometric interoperability requirements of the Government Smart Card Interoperability Specification NISTIR 6887 (GSC-IS V2.0) and the planned additions through GSC-IS V2.2.
 - 3b) Study if referring to other existing standards (e.g., FCD 7816-11) can satisfy these interoperability requirements and if an application profile is needed or extensions to existing standards are needed.
 - 3c) Prepare and submit a report on the results of its study to M1.
 - 4) Tasks are to be performed in coordination with the NIST/BC WG and BioAPI Consortium.
- **Discussion:** Mrs. Tilton – intent would be to involve people from M1, but also the BioAPI Consortium.
- **Vote on the Motion:** Unanimous consent.
