Recall that if you vote NO or ABSTAIN, you are required to provide comments (in the case of a NO, please indicate, if applicable, what changes in the proposed would permit you to vote YES).

American National Standards are developed by the voluntary participation of all parties and with the intention and expectation that the standards will be suitable for wide application. Since their use is likewise voluntary, an affirmative vote does not commit an organization or group represented on the committee to the use of the American National Standard under consideration. If you find that you cannot vote YES and wish to vote NO or ABSTAIN, please state this and explain the reasons for your position in the space provided or on a separate sheet.
