Reference: DOCUMENT M1/05-0773

Dear Mr. Podio:

The VoiceXML Forum wishes to collaborate with INCITS Technical Committee M1, Biometrics on the above-referenced proposal. The proposal is to create a data interchange format for speaker biometrics that would be fully conformant to CBEFF.

The Forum would like to establish a mutual liaison relationship between the VoiceXML Forum's Speaker Biometrics Committee and INCITS Technical Committee M1, Biometrics for the purpose of working on the above-mentioned project. In regard to our mutual liaison relationship, attached is a proposed Memorandum of Understanding for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Kenneth G. Rehor". The signature is written in a cursive style.
